STANDARDS OF CONDUCT

ACADEMIC YEAR PROGRAM

NACEL OPEN DOOR ACADEMIC YEAR AND SEMESTER PROGRAM RULES AND STANDARDS OF CONDUCT

TO BE READ, SIGNED, AND DATED BY THE STUDENT AND BOTH PARENTS OR LEGAL GUARDIANS.

The purpose of the high school program is to provide opportunities for people of diverse cultures to come together to learn about different points of view and ways of life. Cross-cultural understanding is, we believe, a fundamental step in promoting better friendships and world peace. We expect the highest standards of behavior from program participants at all times and, in turn, assume responsibility for the welfare and safety of the student throughout the program. Nacel Open Door's (NOD) staff, our Foreign Partners, and Local Representatives work together to ensure that a student's stay in the United States is as successful, safe, and secure as possible. The following Standards of Conduct have been established for that purpose. Violation of these rules will lead to disciplinary actions and possible termination from the program. Violations of American laws or serious misbehavior in the Host Family or the community will result in an early return to the student's home country at the expense of the student's parents/guardians and with no refund of program fees.

AMERICAN LAWS

If a student is arrested, or if it is reliably confirmed that the student has acted illegally, program sponsorship will be revoked, resulting in an early return as soon as legally possible to the home country at the expense of the student's parents.

1. Drinking of alcoholic beverages, including beer and wine, is not permitted while on the program and is illegal for all persons under 21 years of age.
2. The student must not buy, sell, possess, or use illegal drugs of any kind or use any controlled drugs, unless prescribed for him/her by a physician or other health professional. If the student is taking prescription drugs, the name, dosage, and duration of use for each drug must be listed on the Medical Information and Inoculation Form. The student must not associate with any persons involved in illegal drug taking or drug trafficking.
3. The student must not commit or take part in any act of violence against another person or property.
4. Shoplifting and theft are illegal and may lead to criminal charges.
5. It is illegal for the student to take regular employment while in the United States. The only exceptions are occasional odd jobs, such as yard work or babysitting. Any such jobs must not interfere with schoolwork, and the student must have Host Family permission.

HIGH SCHOOL AND INTERSCHOLASTIC SPORTS PARTICIPATION, SCHOOL FEES

High schools expect exchange students to maintain high academic standards and to participate actively in school life. American high schools believe the presence of exchange students enhances the learning environment. Therefore, a student who is suspended or expelled from school due to problems with attendance, attitude, discipline, or falling grades will be terminated from the high school program and returned home immediately.

1. The exchange student is not guaranteed placement in a certain grade level, or that transferable credit will be granted, or that a diploma will be awarded at the end of the academic program. All such decisions are at the discretion of individual high schools and/or districts.
2. No guarantee is made to the student with regard to participation in interscholastic sports. Eligibility is at the discretion of each high school and/or regional/state high school athletic association. Depending upon local regulations, if a student has graduated from high school in their home country or has completed a certain number of years in high school, he/she may be ineligible for interscholastic sports. Students who try out for high school sports teams are not guaranteed a place on the team.
3. The student must obey all school rules, attend classes regularly, and be responsible for assuming a full course load, for making a strong effort in all classes, and for maintaining at least a "C" average, with no "F" (failing) grades at the end of the semester.
4. The student is responsible for all school fees. Such fees may include but are not limited to: registration, books, lockers, laboratories, gym/physical education, yearbook, class ring, letter jacket, student activities, etc.
5. The student will be responsible to pay for his/her school lunch, if they do not bring one from home.
6. The student must be proficient enough in English to be able to communicate with his/her Host Family and high school teachers. Nacel Open Door reserves the right to terminate the program of any student who is judged by the high school or an NOD Student Advisor to have insufficient English to function successfully on the program.
7. The student may not, under any circumstances, change schools without the express permission of the NOD National Office.

STANDARDS OF CONDUCT

ACADEMIC YEAR PROGRAM

NACEL OPEN DOOR ACADEMIC YEAR AND SEMESTER PROGRAM RULES AND STANDARDS OF CONDUCT (CONTINUED)

HOST FAMILY PARTICIPATION

Nacel Open Door (NOD) Host Families are volunteers and generally receive no compensation for hosting exchange students. Host Families participate in the Academic Year Program because of their sincere desire to have a cross-cultural experience and learn about other cultures while sharing the American way of life. Fees paid are used for administrative and supervisory purposes.

1. No guarantee is made with regard to placement in a particular region of the United States, nor in a town of a certain size, nor with a particular kind of Host Family (for example, with a teenager in the home).
2. A private bedroom is not guaranteed. Only a separate bed is guaranteed.
3. The student must comply with all reasonable rules of the Host Family (e.g., curfews, chores, visitors, phone calls, etc.).
4. Overnight travel with the Host Family, an NOD representative, or the high school is permitted if NOD, the Host Family, and the Local Rep are informed of all such trips and have a phone contact to reach the student in an emergency.
5. The student must not borrow money from the Host Family or from any other source. Natural Parents must supply the student with an adequate amount of spending money at all times, normally \$200-\$300 per month, not to fall below \$150.
6. The student may not, under any circumstances, change Host Families without the express permission of the National Office.

BIOLOGICAL FAMILY VISITS AND STUDENT TRAVEL WHILE ON PROGRAM

1. Visits by members of the student's biological family or by friends from his/her home country can be very disruptive to the adjustment of the student and an inconvenience to the Host Family. Therefore, visits during the first six months of the program are not permitted. All visits are discouraged until the very end of the program. Any visit during the program must have the prior permission of the National Office.
2. The student is not permitted to travel outside the local area by himself/herself or with peers.
3. The student is not permitted to hitchhike, whether alone or with companions.
4. Overnight travel with the Host Family, another family, a responsible adult (at least 25 years of age), approved groups (e.g., church, school, etc.) is permitted if prior consent is given by the Host Family and Local Representative. The Host Family and Local Representative must be informed of all such trips and have a phone contact to reach the student in an emergency.
5. If a student plans to travel outside the United States, he/she must always obtain prior permission from the NOD National Office and get his/her Form DS-2019 signed by a U.S. State Department responsible officer of NOD.
6. Overnight travel with other parties is not permitted without written permission from Natural Parents. NOD maintains the right to disapprove of any overnight student travel. A student who obtains his/her Natural Parents' permission to travel independently during the program cannot travel alone by bus or train.

LIFE-CHANGING DECISIONS AND MISCELLANEOUS RULES

1. The student will not be permitted to make life-changing decisions, including but not limited to marriage, religious conversion, body piercing, tattoos, or other decisions with legal, political, religious, and/or social ramifications.

NACEL OPEN DOOR-USA INBOUND PROGRAM

PARENT & STUDENT AGREEMENT

ACADEMIC YEAR PROGRAM

Nacel Open Door, its agents, sponsors, affiliates, directors, officers, employees, and attorneys (collectively “NOD”), the undersigned parent(s) or legal guardian(s) (“Guardian”), and student (“Student”), understand and agree to the terms and conditions stated in this agreement (“Agreement”) relating to Student’s participation in NOD’s student exchange program (“Program”). Guardian and Student are referred to collectively as the Participants (“Participants”). Adult(s) and their resident children who volunteer to host a Student for the Program term are referred to as the Host Family (“Host Family”).

1. **Admission and Placement:** NOD considers each criteria, such as Student application packet materials, academic background, high school transcripts, age, education level, physical and mental health, references, essays, and personal interviews in determining whether to admit a Student into the Program. NOD had the sole discretion to determine whether the Student will be admitted into the Program, and such determination is final. All preferences and characteristics of the Student may not be accommodated in the placement process. Further, NOD relies solely on volunteer Host Families to select a student. Once the student is selected, a Host Family devotes considerable time, effort, and resources to hosting a student. NOD cannot control or guarantee neither student selection nor the timing of selection and placement. Students may be placed with a Host Family and/or enrolled in school after the beginning of the school term.
2. **Living Expenses:** Guardians agree to provide the Student the equivalent of \$250 (U.S.) minimum per month to cover incidentals and pocket money. Participants must reimburse the Host Family for all extraordinary expenses incurred on the Student’s behalf, such as personal telephone calls, non-essential school expenses, household damage, etc.
3. **Living Conditions:** In addition to learning the host country’s language, the student is expected to adapt to the culture and lifestyle of the Host Family and host country. There may be significant cultural, economic, and lifestyle differences between the Student’s home country and the host country. The host country may have different health care services, living conditions, road and transportation systems, educational approaches and systems, criminal justice systems, civil liberty laws, customs, and values. Some host country services, conditions, or systems may be relatively inadequate, unsafe, or unreliable in comparison to the Student’s home country. Other host country services, conditions, or systems may be superior to the standards in the home country. Living conditions vary from one Host Family to another, even in the same community. Any such differences may not necessarily be sufficient reason for a change in Host Family. The Program offers numerous opportunities for the Student; however, Participants must be aware of and accept these differences and the risks associated with traveling and living in another country. The Student’s level of maturity must be adequate to recognize and cope with these differences and risks. Guardians must take responsibility to educate and prepare the Student for the risks associated with foreign travel and living abroad. Program Representatives are available by telephone to provide assistance on an ongoing basis during the Student’s participation in the Program. However, the Program cannot and does not provide constant direct supervision of the Student and does not act in the capacity of loco parentis. Guardians retain all rights and duties relating to the welfare of the Student.

As a condition of acceptance into the Program, the Participants agree to hold NOD harmless for all injuries and/or damages incurred during the Student’s participation in the Program resulting from risks associated with international travel and living abroad, and any negligence and/or intentional acts caused by any third party, including but not limited to any member, guest, employee, or agent of the Host Family or other persons in the host country.

4. **Rules for Students:** The rules for NOD students (“Rules”) have been established by NOD as a minimum standard of participant conduct, and any infraction may result in immediate repatriation (return) of Student to his/her home country, without any refund of program fees. Each Student and his or her Guardian(s) must acknowledge they understand and have agreed to adhere to the Rules prior to the Student’s final program acceptance.
5. **Problem Notification and Resolution:** As the Student is living as a member of a Host Family and not under continual supervision or control of NOD staff, it is the responsibility of the Student to advise NOD of any significant problems, including but not limited to health, safety, or welfare of the Student, adjustment to school, culture, language, etc. In addition, the Student must notify NOD of any misunderstandings or problems with the Host Family. NOD will intervene and attempt to resolve the problem. If necessary, NOD may in its sole discretion seek a replacement Host Family, if possible within the same community. If the Student does not make a good faith and substantial effort to resolve the problem, NOD may return the Student to his/her

home country. If the Student violates any terms of its Agreement, NOD may, in its sole and absolute discretion, terminate the Student's participation in the Program and immediately repatriate the Student to his/her home country without any refund of program fees.

6. **Agreement between Participants and Originating Exchange Organization:** Participants understand that NOD is not a party to any agreement between the Participants and the Originating Student Exchange Organization through which the Participants enrolled in the Participant's home country ("Originating Exchange Organization"). Participants acknowledge and agree that the laws of their home country shall exclusively govern any dispute or claim arising out of any agreement with the Originating Exchange Organization. Participants agree and acknowledge that the Originating Exchange Organization is solely responsible to the Participants for injury or damage from a violation of any such agreement. NOD assumes no duties or responsibilities for any acts or omissions of the Originating Exchange Organization.
7. **General Release. Indemnification and Hold Harmless Provisions:** As a condition of Student's participation in the Program, Participants agree to release and hold harmless NOD for injury, loss, delay, or any other damage and expense incurred by Participants due to (i) any incident beyond NOD's reasonable control, including, without limitation, acts of God, acts of war, or government actions and restrictions, (ii) any events directly or indirectly caused by intentional or negligent acts of omissions by any third party including but not limited to and member, guest, employee, or agent of Host Family or other persons in the host country, (iii) risks associated with foreign travel and living abroad, including but not limited to risks associated with health care services, living conditions, sanitation conditions, road and transportation systems, criminal justice systems, civil liberty laws, customs and values, (iv) any differences in the living conditions and standards between Participants' home country and the host home and host country, and (v) any act or omission of the Originating Exchange Organization.
8. As further condition of Student's participation in the Program, Participants agree to indemnify and hold harmless NOD from any liability expense, including court costs and attorney fees, resulting from any injury, loss, or any other damage or expense caused by the Student during his/her participation in the Program.
9. **Arbitration and Venue:** This Agreement shall be deemed to have been made in the state of North Dakota, USA, and its validity, construction, breach, performance, and interpretation shall be governed by the laws of the State of North Dakota. The parties to the Agreement acknowledge and agree that any dispute or claim arising of the Agreement, any resulting or related transaction, or the relationship of the parties, shall be decided by neutral, exclusive, and binding arbitration in Fargo, North Dakota, USA. The arbitration shall be conducted before a designated, neutral arbitrator in North Dakota agreed upon by both parties. Either party may appear telephonically at the arbitration hearing. The award of the arbitrator may be enforced in any court of competent jurisdiction located in the United States. In the event that the arbitration clause is deemed void and inapplicable, each party expressly consents to and submits to the personal jurisdiction of the federal or state courts of Fargo, North Dakota, USA. In any action, including arbitration, brought for breach of this Agreement, the prevailing party shall be entitled to recover reasonable attorney's fees and costs, including but not limited to the costs of arbitration.
10. **Authority of Parent/Guardian:** Each Parent/Guardian who signs this Agreement represents and warrants that he or she, together with the other Parent/Guardian who signs this Agreement, if any, is the custodial parent/guardian of the Student and has full authority to sign this Agreement on behalf of the Student as his/her legal guardian without the consent or approval of any other person, and agrees to indemnify and hold NOD harmless for any liability expense, including court costs and attorney's fees resulting from any breach or claim of this representation.
11. **Ratification of the Agreement:** In the event the Student is under the age of 18 at the time of execution of this agreement, and the Student attains 18 years of age while participating on the Program, Student agrees that continued participation in the Program after he/she attains 18 is deemed ratification and adoption of all terms and conditions of this Agreement.
12. **NOD Program Agreement Controls:** Where there are any differences between this Agreement and any other Program materials, the Agreement shall control. NOD cannot be legally bound or committed by any other person other than the duly authorized representative. Parties are required to follow this Agreement and cannot vary from its terms.
13. **Modification:** This Agreement shall not be modified except by writing that is executed by all parties hereto.
14. **Severability:** In the event any clause, sentence, term, or provision of this Agreement shall be held by a court of competent jurisdiction to be illegal, invalid, or unenforceable for any reason, the remaining portions of this Agreement shall remain in full force and effect.

CONSENT AGREEMENT

15. **Health Care:** The Guardian(s) and/or Student consent to and authorize NOD or any adult Host Family member to obtain any medical, dental, surgical, psychological, psychiatric, or hospital care, deemed necessary by any health care provider, for the health, treatment, and care of the Student during the Student's participation in the Program. Any problems arising from inadequate or improper care shall be the responsibility of the health care provider. NOD shall not be liable for any failure to secure or the inadequacy of medical attention. The Guardian(s) and/or Student authorize the health care provider to release all health care records relating to the Student to NOD. The Guardian and/or Student consent to and authorize the release of the Student's medical information, as included in the Student's application, as well as any additional medical information submitted or obtained, to necessary parties, for the purposes of placement, enrollment, and/or supervision and care of the Student. In the event that the Student self-administers any medication, whether brought into the host country or obtained in the host country, Participants agree to release and hold harmless NOD for injury, loss, delay, or any other damage and expense incurred as a result. Participants also agree to release and hold harmless NOD for injury, loss, delay, or any other damage and expense incurred as a result of any medical, dental, surgical, psychological, psychiatric, or hospital care or treatment received by the Student while in the host country.
16. **Legal Proceedings:** The Guardian(s) and/or Student consent to and authorize NOD or any adult Host Family member to pursue or defend any legal action or proceedings regarding the Student during Student's participation in the Program, costs to be reimbursed by Guardian(s). Such consent, however, does not obligate NOD or any Host Family member to pursue or defend any such legal action or proceedings. The Guardian(s) and/or Student authorize any court, law enforcement agency, or any other government agency to release the Student to NOD or any adult Host Family member in the event that the Student is detained or held by any such entity or government agency.
17. **Use of Student's Name or Likeness:** The Guardian(s) and/or Student consent to the use of Student's name, photograph, film, or video likeness of Student or any comments or statements of Student in materials or publications utilized to promote the Program or find Host Families.

We read and fully understand the Program materials and agree to adhere to the Nacel Open Door Academic Year and Semester Program Rules and Standards of Conduct and the Nacel Open Door-USA Inbound Program Parent and Student Agreement, including the Consent Agreement.

We, the Student and Guardian(s), certify that all information provided in the application is correct and complete, including academic information and medical and inoculation information and history. We understand that withholding information and/or providing incorrect information is grounds for possible termination from the Program and repatriation at the Guardian's expense with no refund of Program fees.

This Agreement covers the period from the time the student boards transportation scheduled by Nacel Open Door until the student departs from the host country.
